Pay

The Trustee Board of Wyvern College Academy Trust is committed to the principle of equal pay for all employees, irrespective of gender, and ensures that it meets the requirements of the Equal Pay Act 1970.

The school's approach to pay is set out in the school's pay policy and the Trustee Board aims to achieve equality in its pay and reward arrangements. The Trustee Board ensures that teaching staff are paid the correct salary and allowances in accordance with the School Teachers' Pay and Conditions Document, a national statutory document regulating pay of teaching staff.

The Trustee Board ensures that school support staff are paid the correct salary and allowances in accordance with the Employment in Hampshire County Council (EHCC) 2007 Agreement and subsequent variations. The Hay job evaluation scheme, which sits behind the EHCC agreement, provides an objective and gender neutral framework to evaluate the jobs that are carried out within the school.

Our gender pay gap of 23.85% is not as a result of paying men more than women for the same or equivalent work.

Bonus

There were small payments categorised as 'bonus' made only to female members of staff. As there were no awards to male members of staff the mean and median bonus gender pay gap is a negative figure as this shows that women were paid more than men. (eg only women received bonuses and no men did)
