

Unifrog is a universal destinations platform, designed to support students in making informed decisions about their futures, and has tools suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them. You can take quizzes, search for information on specific subjects or careers, make shortlists of the things that interest you, and get help writing CVs, cover letters, personal statements and more. You will also be able to keep a record of all relevant Careers activities and learning you do in school.

To log in, please go to www.unifrog.org and enter your school email address. You have previously been emailed a password, but if you can't find it, you can click on the **Reset Password** link under the Sign In section, shown below:

[Reset password / Resend welcome email](#)

Once you're logged in, you can explore all the sections shown below - we recommend the **Quiz Profile** as a great place to start, as this will help identify areas of interest for you so you can start exploring options and careers tailored specifically to your strengths and interests!

Quizzes	Recording
Interests profile ✓ Quiz last taken 19 Sep 24: A and C and I	Activities ✗ Recorded at least 10
Quiz profile ✓ 4 of 4 quizzes complete	Skills ✗ Completed all 12
Exploring	Interactions ✗ Missing 5 Interaction types
Careers library ✓ Careers favourited	Materials
Know-how library ✗ Guides favourited	No tools in this category are tailored to you this year - click 'All tools' to see everything

We hope you find Unifrog useful and interesting. If you have any questions about the platform, or anything else relating to Careers, please send an email to the Careers Leader, Mrs Gough, at j.gough@wyvern.hants.sch.uk
