Exciting Fundraising News – We Need Your Help!

We are excited to update you that Friends of Wyvern continue with our fundraising initiative aimed at significantly enhancing the outdoor spaces at Wyvern College. Our goal is to install comfortable seating and protective canopies around the school grounds, providing inviting, all-weather areas for students to socialise, study, and relax.

Enriching Experiences, Enabling Success

Indicative designs of the things we have in mind

In further great news, Wyvern College has been selected for a Tesco Stronger Starts grant. During April, you can help secure up to £1500 by placing your blue tokens in the "Wyvern Outdoor Oasis" container at these local Tesco stores:

- 2452 Eastleigh Express SO50 5PN
- 2511 Ashdown Road Express SO53 5RD
- 2520 Fair Oak Express SO50 7HD
- 3338 Valley Park Soton Express SO53 4ST
- 5250 Eastleigh Twyford Road Esso Express SO50 4HP
- 6795 Eastleigh Bishopstoke Express SO50 6LA

Every blue token counts, and your support could make a significant difference in achieving our funding goal. Additionally, setting up a regular donation of just £2 a month—or any amount you can afford—is the quickest and easiest way to provide ongoing support for this project.

For further information, please [click here for a document detailing our fundraising initiatives](#), including how you can make simple donations, join our "Coppers for Canopies" campaign, or contribute through second-hand uniform donations and online shopping.

We kindly ask all parents to support us in any way you can—every effort, no matter how small, makes a big difference to our school community. Should you have any questions or wish to discuss ways you can help, please email us at FOW@wyvern.hants.sch.uk.

Thank you in advance for your generous support!

Paulton's Park Praise Trip Update

We are delighted to share some additional details regarding the exciting praise trips to Paulton's Park happening during the summer term. These trips celebrate students who consistently demonstrate outstanding effort, punctuality, attendance, and behaviour.

Trips will be taking place on the following dates:

- **Years 7 and 9:** Friday, 20th June 2025
- **Years 8 and 10:** Tuesday, 24th June 2025

To be eligible, students must meet the following selection criteria between October half-term (2024) and 16th May 2025:

- No unauthorised absences
- 97% or higher punctuality to lessons
- No truancy
- No more than 3 C3 sanctions
- No C4 sanctions
- An average PRIDE score of 7 or higher in their summer term PRIDE reports (PRIDE scores are out of 10 this year)

Parents and carers can monitor unauthorised absences via the attendance section of Edulink or through the half-termly absence reports. Currently, just over 600 students are on track to receive an invitation.

We have secured discounted entry tickets from Paulton's Park and are currently obtaining quotes for coach travel. The trip will be offered at cost price, anticipated to be between £40-£60 per student. Subsidised support will be available on a case-by-case basis for students eligible for Pupil Premium.

We wanted to provide this early update to allow you to plan ahead and start setting aside savings for this special reward trip. A final price will be confirmed in due course.

Thank you for your continued support in celebrating our students' exceptional achievements. We are looking forward to a wonderful day out!

LEARNING IN LIBRARIES

There are a number of free and low cost courses for families, including first aid and parenting available through [Learning in Libraries | Leisure and culture | Hampshire County Council](#)

HAMPSHIRE COUNTY COUNCIL'S HOLIDAY ACTIVITIES AND FOOD (HAF) PROGRAMME.

Children and young people from low-income families in Hampshire can look forward to an exciting programme of fun activities and nutritious meals over Easter, courtesy of Hampshire County Council's Holiday Activities and Food (HAF) programme.

The programme is funded by the Department for Education so that local authorities can offer healthy food and enriching activities in the school holidays to children who receive benefit-related free school meals during term time. A small number of places are also available on HAF schemes for other vulnerable families.

There are over **150 sites delivering activities across the whole of Hampshire** over the Easter holiday period. Schools, childcare providers, community groups and sports activity providers are amongst those delivering schemes.

We are now inviting eligible families to book their free school holiday clubs. Information on available schemes and how to book on our Family Information Services Hub (FISH), using the following link.

HAMPSHIRE BOOK AWARD 2025

The shortlist for the HBA has been announced and the Year 8 students, who are readers and judges for the award, are excitedly reading their way through the books. Wyvern has 16 readers involved.

The books are all great reads from different genre. It could be a personal challenge to read through the books yourself and see if you agree with the judges on the final day of voting here at Wyvern College on 25th June. If you would like to read the books, they are available in Wyvern library, some are available on our e-reading platform Sora. [Click here for more details.](#)

NEWS ROUND UP

SIMON SAYS FUNDRAISING DAY – FRIDAY 21ST MARCH

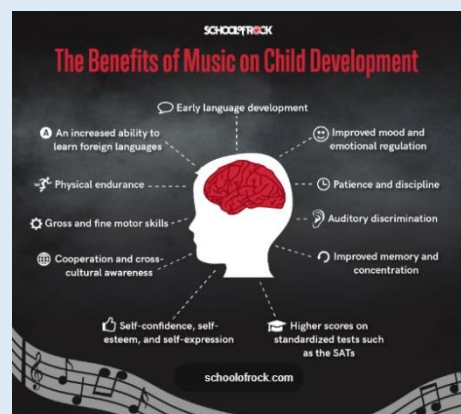

The staff raffle raised £225 and the cake sale £303.60 with non-uniform donations currently standing at £958. An amazing £1,490.60 ans it is still climbing. Thanks to everyone that has made this possible. INCREDIBLE!

FREE TASTER SESSIONS ON MUSICAL INSTRUMENTS

The Wyvern Music department will be offering a free taster lesson to students on musical instruments after the Easter holidays. We also have some instruments which can be loaned to students if they decide to sign up for instrumental lessons following their taster lesson. Instrumental lessons are run by our excellent team of specialist

peripatetic instrumental teachers and give the students so many wider skills, increasing discipline, listening skills, improving memory, sensory development, patience and perseverance, as well as building self-esteem and confidence, as well as creating opportunities to be involved in music-making with other students. Wyvern are currently offering a taster lesson on: violin, cello, double bass, oboe, clarinet, flute, saxophone, trumpet or trombone.

If you are interested in a taster lesson for your child, please email me: s.wood@wyvern.hants.sch.uk.

Making iconic brands: product innovation or creative advertising?

Virtual Have you thought about what makes brands like Apple and Nike the icons they are? Most people think it comes down to product innovation. Join Dr. Tim Hill, Director of Studies for Business at the University of Bath, as he explores why this might not be the case. Discover why the route to becoming an iconic brand doesn't always lie in good research or radical ideas, but in creative advertising. Perfect for students interested in business, marketing, or

entrepreneurship!

YEAR 7 NOTICES

Spring is definitely here and at last we are beginning to actually enjoy being outside in the fresh air and sunshine during the lunch breaks. It is lovely to wander around the site during these times and to see the pupils sitting together and animatedly chatting away with each other, laughing and joking and generally just enjoying being in each other's company. Whilst on duty it is encouraging and heartwarming to see how polite and well mannered the pupils in Year 7 are. There are always plenty of smiles, pupils wanting to say hi and to ask how my day has been and wanting to talk about their weekend. They really are a bunch of good eggs.....

Which does lead me onto my weekly plea of 'please can we keep the Easter Egg donations coming in'?! The Year Office is filled with the smell of chocolate - which is testing mine and Mrs Munday's resolve. However, we do still need more - a Cadbury's creme egg is sufficient and every little helps towards building up a stock of eggs ready for our tombola next week. Thank you so much to anyone who has already donated, your generosity is greatly appreciated.

As the end of term is in sight, we do sometimes see an understandable wobble in concentration and focus and it is easy to sometimes let our own personal standards slip. I would like to congratulate the following pupils who have achieved the highest points score for 'staying work focused' this term. Well done and keep it up to Freya (7D2), Rosa (7H1) and Tayson (7G1).

Next week we will be holding our end of term praise assembly where there will be fun, games, prizes and lots of acknowledging of achievements and awarding success. I will endeavour to take a few photos to share with you all in the next newsletter.

Yr 7 Pastoral Team

YEAR 8 NOTICES

Here we are at the end of the penultimate week of another term. As we approach the final week, our young people, just like us as staff, will be tired and ready for the break. I find in the year office that this last week is when there can be fallings out and situations that the children would usually manage well suddenly escalate out of nowhere. You may experience some increased emotional responses at home as well – all normal! I am sure that you will already be aware of the amazing fundraising efforts last week for Simon Says – a real Wyvern team effort – well done to the staff and students who supported this event. I am really proud that, given the aforementioned, Y8s have behaved well in the assessments that they have had. I am really proud of both of my classes for French and I know other colleagues have commented to me how well they have conducted themselves. This is my final plea for any chocolate donations please – I would need them by midday on

Monday at the latest – a huge thank you to those of you who have sent something in already. It is greatly appreciated. In praise news this week, firstly our top tutor groups for P1s with 8D2 in first place with 515 P1s, 8C1 in second place with 429 and 8D1 in third with 423. Well done! Our top students last week were Ellie C from 8D2 in first position with 98 points (well done with that P3 from Geography Ellie), in second place we have Katie S from D1 with 50 P1s and in third place we have Will B from P2 with 41 P1s. Fantastic!

LOOKING FOR APPRENTICESHIPS

There are still some Year 11 who are looking for apprenticeships especially in construction and Engineering. So if you are an employer and would consider taking on a student then [please have a look at this poster](#) and get in touch with citb or myself Mrs Gough at j.gough@wyvern.hants.sch.uk.

Dear Parents/Carers

Thank you to all Parents who attended the Year 11 Parents Evening this Wednesday. I hope this provided you with lots of information to help support your child in the run up to the GCSE's. Please do continue to liaise with staff if you have any questions or need direction of how to help your child. Period 6 sessions are continuing after school in the run up to the exams, please do encourage your child to attend these free sessions to build on their progress and use the valuable support offered by staff.

Your child will have received a wealth of feedback and targets for them to improve. Please could you remind them of this and direct them to their teachers if they need any guidance, help or support.

It is a really exciting time of the year for Year 11, with lots to look forward to. Year books, hoodies, proms are being planned, but we completely understand that this is a lot for families to manage. Please reach out to us if you need any help and support covering expenses. We will do our best to help.

Thanks
Mr T Merriman
Pastoral Leader Year 11
