Message from the Headteacher

Dear Parents and Carers,

This has been another very busy week at Wyvern, with Year 7 students out to France and Germany, with the new Year 6 students coming up for the induction day, musicians playing at Sunnybank Care Home and students on their Duke of Edinburgh camping trips. I would like to thank our Year 10 prefects who did a superb job of welcoming the year 6 students on Tuesday and helping them get the right place at the right time.

It is getting round to that time of year when the Mela festivals are happening in Eastleigh and Southampton. With our focus on cultural and diversity and inclusion, I am keen to advertise these and hope that you might be able to attend one or both with your family. The Eastleigh Mela is run by Asian Welfare and Cultural Association (AWCA) Eastleigh. On their Facebook page they are advertising the Mela with the following text - *"Get ready to immerse yourself in the vibrant and enchanting atmosphere of Eastleigh Mela 2024! Join us on 21st July 2024 from 11am to 6pm for an unforgettable experience. As the highly anticipated cultural extravaganza approaches, mark your calendars and prepare for a day filled with joy, diversity, and celebration. Bring your family and friends to enjoy the rich tapestry of cultures, music, dance, and delicious food that Eastleigh Mela has to offer."*

The Mela is being held at the Leigh Road Recreation Ground in Eastleigh and it is a free and inclusive event for the community. There is a flier on their webpage – <https://www.awca-eastleigh.org.uk/home.html>

Additionally, the Southampton Mela Festival will take place in Hogland's Park in Southampton - The description below is from the Art Asia website (where again there is more information) - <https://artasia.org.uk/mela-festival/>. The Southampton Mela Festival is a long-standing summer highlight in Southampton's events calendar celebrating Modern and Traditional Asian Culture on Saturday 13th July 2024, 11am - 10pm.

With best wishes
Mr Rule

Musical Support for Young Carers

Wyvern Groove band and Big Band students performed at the Young Carers Festival at Fairthorne Manor on Saturday and they were **OUTSTANDING**- they arrived at the festival dressed smartly in black on a hot day and performed a fantastic set for the Young Carers at the festival.

As well as our Wyvern musicians, years 9-11, we had some ex-students join us for the performance, and we had 14 students on stage performing an hour set to over 1000 young people. It was wonderful to see the young people enjoying and engaging with the live music.

Year 7 Notices

I sit writing this article on the same day that we're welcoming Year 6 here for their transition day. How strange is it that this was your children only a year ago?

With only two weeks left of Year 7 after this week, many believe that schools start to "wind down" but if you read this newsletter then you undoubtedly know that this is not the case. We had a wonderful day saying goodbye to our Year 11 students last week and then also seeing them at the Prom – they looked fabulous and so grown up already. Around eighty Year 7s were so excited to be departing for either France or Germany on Wednesday and by the time you read this they will be on their way home and very tired. I hope they have a fantastic time and that you hear all about their adventures.

We also have our annual sports day next week so please ensure that your child is weather-ready regardless of sun or rain. There is our Summer Concert also to look forward to and you can buy tickets now (see above).

It is now less than two weeks until our Success Assembly (Monday 15th July) where we have a one-hour assembly celebrating various successes from the year and watching members of the year group perform. If anyone is willing and able to donate any kind of prize, I would be most appreciative – vouchers, sweets or chocolate always go down well. I would need these no later than Friday 12th July please.

Our top three students for achievement points last week were Karina 7L1, Rafiu 7L1 and in joint third place we have Lincoln 7A1 and Jason 7L2 – well done all of you! 7L1 are the leading TG for achievement points last week with 146 across the class; quite a big lead actually as the next closest tutor group is on 87! Well done 7L1 – keep this up!

Pastoral Leader – Year 7

Year 8 Notices

This week's assembly (and follow-up in tutor time) has been focused on the general election. By the time many of you read this, the polls will have been closed, votes counted and the results will be in. In all

likelihood, by the time we get to do it again in 5 years' time, most of Year 8 will be old enough to vote themselves, so this is the last time that they'll get to be interested (but invested) observers. Next time they'll be able to vote (and many of them will be driving too!).

In assembly, Mr Merriman explained how our general election and the democratic (first-past-the-post) system works and how the constituency boundary changes will affect the local political landscape. Students were given a brief description of all 6 of parties (and highlights of their policies) represented in the Eastleigh constituency, taken from their manifestos, to give background and context to the decisions that they will be in a position to make in future.

Also, this week we celebrated some of our 'unsung heroes' with a Celebration Breakfast in the Hall on Thursday. It was great to see some students being recognised for going the extra mile or being helpful and hard-working throughout the year. Well done to those who were invited and continue to make Wyvern a better place through their positive actions and kindness to others.
