Trial exams

- Sitting exams in the Sports Hall
- Realistic experience
- Sample Assessment Material / Past Papers

What grades do I need?

- Depends on what you want to do when you move on from Wyvern

WHAT'S NEXT?

Planning for Year 11 and beyond

A reminder of your options

A Levels

- Entry levels vary for each subject but you tend to need at least five GCSEs grade 4–9 including English & Maths.
- There are a wide range of subjects on offer covering everything from Art to Statistics.
- A Levels can be a mixture of academic and practical study, depending on the subject. You can choose new subjects or study ones you already know.
- The assessment is usually more exam based than assignments or coursework.
- You could progress onto a higher level or degree apprenticeship, full time higher education or employment.

T LEVELS

EQUIVALENT TO 3 A LEVELS

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent to 3 A levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or apprenticeships.

A 45-DAY INDUSTRY PLACEMENT

Each T Level includes an in-depth industry placement that lasts at least 45 days. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

80% CLASSROOM, 20% WORK

T Level students spend 80% of the course in the classroom, learning the skills that employers need. The other 20% is a meaningful industry placement, where they put these skills into action.

Technical & Vocational Qualifications

- You would develop your knowledge and practical skills in a broad job area like business, or in a job specific role like hairdressing.
- There are a wide range of job areas available.
- The length of your course would depend on the subject and the level but is generally between 1–3 years.
- The level you start from depends on your GCSE results and course. However, you would usually start on a course between entry Level/Level 1 to Level 3 (Level 3 is equal to A Level).
- Courses available at entry level such as Skills for Independence & Work, could help you with the knowledge, understanding and skills to be able to live a more independent life and prepare you for your next steps.
- You can sometimes mix a technical & a vocational qualification with A Levels but you will need to check with the colleges you are applying to.
- Your assessment is usually through course work, practical exams and some work experience.
- You could progress onto the next level course, an apprenticeship or higher education course.

Computer Science & Games Design

Hospitality & Catering

Health & Social Care

Fashion

Music

Sport

Public Services

And many more...

Traineeships

- Flexible pre-apprenticeship and employment programme for 16–24 year olds.
- These usually take between six weeks to one year to complete.
- You will gain employability skills to improve your chances of gaining an apprenticeship or employment.
- You will receive support to improve your English and Maths GCSE if your current grade is below a grade 4.
- Work experience is usually included.
- You could progress onto an apprenticeship, employment or a full time course.

Apprenticeships

- You will receive practical training in a job whilst earning a wage, alongside studying qualifications.
- They are offered in most job areas and roles.
- Length from one to five years depending on the level. You can start straight from school or after a college course.
- Levels are available from Intermediate (Level 2) to Degree Level (Level 6/7).
- Your practical skills and knowledge are assessed at the end of the apprenticeship.
- These can lead to jobs, higher apprenticeships, college courses and higher education.

BP – 2025 entry requirements

AVERAGE GCSE SCORE

Some subjects at Barton Peveril require a minimum average GCSE score. You can calculate this by taking your **top 8 GCSEs** including English (Language or Literature) and Mathematics, adding up their scores and dividing this number by 8.

GCSE Mathematics and English

If you have not achieved Grade 4s in Mathematics and English at school, you will be expected to study these subjects as part of your programme at Barton Peveril.

GCSE Grades (Best 8 including English AND Mathematics)	Programme of study available to you	Helpful advice when planning your programme
<p>Grades averaging 7.5 or above at GCSE</p>	<p>Aspire Programme Three or four A Levels Q-XTRA options</p>	<p>Consider whether your university or career might require more traditional academic subject choices</p>
<p>Grades averaging 5.5 or above at GCSE</p>	<p>Three A Levels Vocational courses Q-XTRA options</p>	<p>A majority of our students choose to study a full programme of A Levels. Check individual subject entry requirements</p>
<p>Grades averaging between 5.5 and 4 at GCSE</p>	<p>Three A Levels Mixed Programme (Vocational and A Level) Vocational programme (equivalent to three A Levels) Q-XTRA options</p>	<p>Reflect carefully on whether A Levels, vocational or a mixed programme would give you the best chance of success and enable you to progress to your future university/career plans</p>
<p>5 GCSEs at Grade 4 averaging 4 or below. Must include a Grade 4 in English</p>	<p>Restricted selection of A Levels Mixed Programme (Vocational and A Level) Vocational programme (equivalent to three A Levels)</p>	<p>These options provide more opportunities for assessment via coursework. They are a fantastic option for many students to achieve excellent grades that lead to university, apprenticeships or employment</p>

MATHEMATICS

A LEVEL

WHAT YOU WILL LEARN:

Having the logical and analytical skills to understand and comprehend the world we live in is more important than ever. You will come to us with a firm understanding of algebra and graphs and expand upon these skills, as well as studying mechanics and statistics. A Level Mathematics is a highly structured and well-organised course that you will find both challenging and incredibly rewarding.

ENTRY REQUIREMENTS:

- GCSEs to include a minimum Grade 6 in Mathematics (Grade 7 recommended)
- Minimum average GCSE score of Grade 5.5.

HOW YOU WILL BE ASSESSED:

- 100% Examination

ENTRY REQUIREMENTS:

- GCSEs to include a minimum Grade 6 in either Combined Science or Chemistry, a Grade 6 in Mathematics and a Grade 5 in English
- Minimum average GCSE score of 5.5.

CHEMISTRY

OCR A CHEMISTRY A LEVEL

WHAT YOU WILL LEARN:

Chemistry is a practical subject and experimental work provides you with important practical skills, as well as enhancing your understanding of chemical theory. You will begin by learning about fundamentals of chemistry and then progress to developing important chemical ideas for inorganic and physical chemistry and the basic concepts of organic chemistry.

MEDIA: CREATIVE DIGITAL TECHNOLOGIES

**LEVEL 3 CAMBRIDGE TECHNICAL DIPLOMA
EQUIVALENT TO TAKING TWO A LEVELS**

WHAT YOU WILL LEARN:

Media: Creative Digital Technologies is an exciting opportunity to work on a number of digital media products from concept to delivery. It is a vocational diploma that enables you to

ENTRY REQUIREMENTS:

- GCSEs to include a minimum Grade 4 in English.

HOW YOU WILL BE ASSESSED:

- 70% Examination
- 30% Coursework

HEALTH & SOCIAL CARE

LEVEL 3 CAMBRIDGE TECHNICAL DIPLOMA

EQUIVALENT TO TAKING TWO SUBJECTS

OR **LEVEL 3 EXTENDED DIPLOMA**

EQUIVALENT TO TAKING THREE SUBJECTS

WHAT YOU WILL LEARN:

Health & Social Care will give you an insight into the Health and Social Care sector, which is ideal for those pursuing careers as Nurses, Midwives, Paramedics, Occupational Therapists, Social Workers, and Primary Teachers.

On the course you will learn the theory and research behind real life practice. After studying Health and Social Care at

ENTRY REQUIREMENTS:

- GCSEs to include a minimum Grade 4 in English and a Science
- Minimum average GCSE score of 4.

HOW YOU WILL BE ASSESSED:

Diploma:

- 45% Coursework
- 55% Examination

Extended Diploma:

- 55% Coursework
- 45% Examination

Entry Requirements & Progression

What You'll Need

You will need five GCSEs at grades 4-9, or equivalent (including English and maths)

OR

Relevant Level 2 qualification (merit or distinction grade) including GCSE English and maths grades 4-9, or equivalent.

This Could Lead to

Upon successful completion of this Level 3 course, you can progress to a range of university-level courses, this can include HNC/HND qualifications within the college group or courses at university.

You can also progress into employment, or an apprenticeship within Media, Marketing or Events Management.

The course is a fantastic springboard into roles such as Event Organiser, Customer Relations, Wedding Coordinator, Retail Management, Marketing Coordinator and much more.

Level 2 Carpentry & Joinery Apprenticeship

Course Overview

Course Type: Apprenticeship

Course Area: Construction & Building Services

Available at:

Fareham Eastleigh

Course Duration: 24-27 Months

[> APPLY](#)

Entry Requirements & Progression

What You'll Need

You will need to have relevant employment, and entry is subject to interview and assessment.

GCSE English and maths grade 4/C or above (or Level 2 functional skills) are preferred.

This Could Lead to

On successful completion of this apprenticeship, you will have the skills to work in this job role and progress to further career opportunities in the carpentry and joinery sectors. This could include a Level 3 Craft Carpentry & Joinery Apprenticeship.
